for Customers of Detariffed Access Services  
within the operating territories  
listed on the Title Pages

**LEGAL NOTICE**

The Zply Fiber Interstate Service Guide and Pricelist (Guide) applies to the Zply Fiber "Detariffed Services" (as defined below) and other telecommunications services that are set forth in this Guide.

Detariffed Services, as described in this document, are interstate special access services for which tariffs were withdrawn pursuant to FCC Report and Order, FCC 17-43, released April 28, 2017.

Beginning upon the effectiveness of the withdrawal of Detariffed Service tariffs, Detariffed Services will be subject to and provided pursuant to the rates, terms and conditions of this Guide, unless a separately executed service agreement between you and Zply Fiber provides otherwise.

Prospective customers wishing to purchase services at the rates, terms and conditions in the Guide may do so by initiating orders through the same processes used to order services from Zply Fiber's interstate access tariffs.

Service that is ordered without a separately executed service agreement between you and Zply Fiber that applies to that order, will also be subject to the Zply Fiber Interstate Access Service Agreement.

The services described in the Guide may be available through negotiated agreements, which may include rates, terms or conditions more favorable to you than those in the Guide. Prospective customers wishing to purchase Guide services at rates, terms or conditions different from those described in the Guide and the applicable Zply Fiber Interstate Access Service Agreement may contact their Zply Fiber service representative.

Zply Fiber reserves the right to change the rates, terms and conditions in the Guide from time to time. Notification of Guide changes will be made available at the Zply Fiber website.
